INTERNSHIP EXPERIENCE

Aashman Foundation Graphic Design, Jan - Apr 2022	During my internship, I cultivated a creative mindset, constantly exploring innovative design concepts and pushing the boundaries of visual aesthetics.
Oasis Infobyte Android App Development, Aug - Sep 2023	I gained valuable hands-on experience in designing, coding, and testing Android applications, bridging the gap between theory and practical application.
Ethnus MERN Full Stack Aug - Present 2023	My role as a MERN Full Stack Intern at Ethnus allowed me to immerse myself in the world of web development, mastering the MERN (MongoDB, Express, React, Node.js) stack for building robust and dynamic web applications.
